

## Dancing in the Streets: A History of Collective Joy (Paperback)

By Barbara Ehrenreich

Holt McDougal, United States, 2008. Paperback. Condition: New. Reprint. Language: English. Brand new Book. "Fascinating . . . An admirably lucid, level-headed history of outbreaks of joy from Dionysus to the Grateful Dead."--Terry Eagleton, *The Nation* Widely praised as "impressive" (*The Washington Post Book World*), "ambitious" (*The Wall Street Journal*), and "alluring" (*The Los Angeles Times*), *Dancing in the Streets* explores a human impulse that has been so effectively suppressed that we lack even a term for it: the desire for collective joy, historically expressed in revels of feasting, costuming, and dancing. Drawing on a wealth of history and anthropology, Barbara Ehrenreich uncovers the origins of communal celebration in human biology and culture. From the earliest orgiastic Mesopotamian rites to the medieval practice of Christianity as a "danced religion" and the transgressive freedoms of carnival, she demonstrates that mass festivities have long been central to the Western tradition. In recent centuries, this festive tradition has been repressed, cruelly and often bloodily. But as Ehrenreich argues in this original, exhilarating, and ultimately optimistic book, the celebratory impulse is too deeply ingrained in human nature ever to be completely extinguished.

### Reviews

*An exceptional pdf and also the typeface applied was intriguing to read through. It is definitely simplified but excitement in the 50 % in the ebook. I discovered this ebook from my dad and i recommended this pdf to find out.*

-- Jarod Ward

*Complete information for publication enthusiasts. It is really basic but shocks inside the fifty percent of your book. I am just delighted to let you know that this is basically the finest book i have read through in my individual lifestyle and might be the best pdf for actually.*
